

TRAIN TO TEACH NORTHANTS

Teacher training routes for UQTs //

A degree

No degree

Postgraduate routes

1
year

QTS only or PGCE QTS:

Tuition fee through a SCITT (school based initial teacher training) or University based. This can include a PGCE (Masters Credits) as well as QTS.

Who:

All university providers,
all local ITT providers

1
year

Salaried routes:

As above but with a paid salary. The costs (including tuition fees) are met by the school and you will be paid a UQT salary.

Who:

All university providers,
some local ITT providers

12
months

Postgraduate Apprenticeship:

Fees for teacher training are funded by the apprentice levy. You are/will be employed in your existing school. You must have a degree + GCSEs in Maths and English for secondary, and have a degree + GCSEs in Maths, English and Science for primary.

Who:

5Wells, The Pilgrim

Partnership, PenGreen,
Greenwood
Academies Trust

2
years

High potential initial teacher training (HPITT):

The high-potential ITT route is a national 2-year employment-based initial teacher training and leadership development programme that seeks to recruit and train high-potential graduates and career changers who would be otherwise unlikely to join the profession or work in a school.

Who:

Teach First

12
weeks

Assessment Only Route:

A postgraduate route with no training for those who hold a degree and have taught in school. You will need to be employed in a school, have had at least two years teaching experience and at least 6 weeks experience in a contrasting school. You will need a degree + GCSEs in Maths and English for secondary, and a degree + GCSEs in Maths, English and Science for primary.
