## A COLLABORATIVE APPROACH TO EXCELLENCE IN RECEPTION

Working in partnership with schools across the region to share effective, evidence-informed practice and strengthen reception provision.

*Stronger together,  
for every child's  
best start*

Reception networks are **school-led, locally delivered** networks focused on sharing strong, **evidence-informed** reception practice.

### LED BY SCHOOLS, FOR SCHOOLS

Each network is led by a reception-network lead school. Lead schools have sustained strengths in early years provision and leadership, and support other schools in their local area.

### THROUGH RECEPTION NETWORKS, SCHOOLS CAN ACCESS:

**Regular opportunities** to discuss reception-year practice with peers

**Visits and open days** to observe reception provision in practice

**Shared resources and approaches** that support high-quality reception teaching and leadership
